PROPERTY HIGHLIGHTS

- » Located along West Atlantic Boulevard and South Lyons Road in Coconut Creek
- » Strong visibility with efficient access and connectivity to both Florida's Turnpike and I-95, the major South Florida Commercial arteries
- » Central North Broward location within an established commercial and industrial hub
- » Well-suited for a range of shallow bay industrial-distribution users
- » Proximity to surrounding retail and service amenities supporting tenant convenience and workforce accessibility
- » Core, infill location offering long-term operational efficiency

MASTER PLAN

Cocomar Business Park is a three-building, rear-loaded Class A industrial business park totaling ±374,910 SF. The project features 32' clear heights, 54' column spacing, 6" slab floors, ESFR fire protection, R-19 insulated roofing, and two spec offices per building. Each building is equipped with 400 amps of existing power, with the ability to expand by an additional 2,800 amps. The site offers 78 dock-high doors, 6 drive-in doors, truck courts up to 178', and balanced on-site parking with average ratios of 1.02 Buildings A, 1.20 Building B and 1.28 Building C, supporting efficient single- or multi-tenant operations.

Cocomar Business Park is a Class A industrial development designed to meet the standards of modern industrial and logistics users. The project features 32' clear heights, ESFR sprinklers, wide truck courts, as well as ample parking and dock-doors. The park is verdantly landscaped, complementing the modern, functional design, making Cocomar Business Park an ideal place to operate a business.

The highly functional site plan features wide internal roadways, full circulation, curb appeal, and frontage on West Atlantic Boulevard. The project is prominently positioned within the Broward Industrial Submarket.

Cocomar Business Park the last new Class A industrial development in **Coconut Creek**. Set within a professionally designed business park featuring dense, robust landscaping and prominent West Atlantic Boulevard frontage, it represents a limited opportunity to secure modern industrial space in the fully built-out, high-demand Broward submarket.
